Subject:- Travelling allowance to members of the Institution of Engineers (India), for attending the monthly lecture meetings.

.....

Sir,

I am directed to refer to the correspondence ending with your letter No. G. 51/52, dated the 8th October 1951, and to state that in view of the present financial stringency it is not possible for Government to grant any facilities by way of the grant of travelling allowance to the Government Officers (who are members of your Institute) stationed in Poona and in Bombay for attending the monthly lecture meetings of your Institute held in Bombay and in Poona. However, Government has no objection to these Officers attending such meetings at their own expense. Their absence from head-quarters on account of such attendance will be treated as duty, The several local Officers of this Department stationed in Bombay and in Poona are being informed in the matter accordingly.

Yours faithfully.
